

THE STATE OF UTAH
OFFICE OF STATE ENGINEER
SALT LAKE CITY

HUBERT C. LAMBERT
STATE ENGINEER

October 28, 1966

THE FOLLOWING LETTER WAS MAILED TO THOSE PAYING ASSESSMENTS ON THE
LOWER JORDAN RIVER

Re: Lower Jordan River system

Gentlemen:

The duty tour of your water commissioner, Mr. Glen Allen, ends as of October 31, 1966, the work period established in accordance with an estimate of the system's needs.

We would like to meet with the water users Thursday, November 10, 1966 at 3:00 p.m. in the Water Conference Room, 4th Floor, Utah State Capitol Building, for the purpose of:

1. A discussion of the commissioner's report for 1966.
2. An expression of your wishes as to the extension of his work period.
3. A discussion pertinent to finances necessary to cover distribution costs.
4. Sharing any problems in distribution that have arisen in 1966.

We hope that the above date will be satisfactory and that a representative of all interested parties may attend.

Yours very truly,

Donald C. Harroth
~~BENEFICIAL HYDROLOGIC ENGINEER~~
